ESTABLISHMENT OF RIGHT OF ASSIGNEE TO TAKE ACTION
AND
REVOCATION AND POWER OF ATTORNEY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The undersigned, Alan Benjamin, Vice President and General Manager, Telecom Division, of Pulse Engineering, Inc. (formerly Excelsus Technologies, Inc.; see attached Certificate of Ownership Merging Excelsus Technologies, Inc. into Pulse Engineering, Inc. and Notice of Recordation Cover Sheet), is authorized and empowered to act on behalf of the assignee below (the "Assignee"). A true copy of the original Assignment of the above-captioned application from the inventor(s) to the Assignee, (Excelsus Technologies, Inc.), is attached hereto. **The original assignment is recorded at Reel 010339 and Frame 0559.** This Assignment represents the entire chain of title of this invention from the Inventors to the Assignee.

Appl. No. : 10/748,729
Issued : December 29, 2003

The undersigned hereby revokes any previous powers of attorney in the subject application, and hereby appoints the registrants of GAZDZINSKI & ASSOCIATES, 11440 West Bernardo Court, Suite 375, San Diego, California 92127, Telephone (858) 675-1670, including Robert F. Gazdzinski, Registration Number 39,990, as its attorneys with full power of substitution and revocation to prosecute this application and to transact all business in the U.S. Patent and Trademark Office connected herewith.

I declare that all statements made herein are true, and that all statements made upon information and belief are believed to be true, and further, that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that willful, false statements may jeopardize the validity of the application, or any patent issuing thereon.

**REISSUE CONTINUATION APPLICATION
SUPPLEMENTAL DECLARATION BY THE ASSIGNEE**

I hereby declare that:

The residence, mailing address and citizenship of the inventors are stated below;

I am authorized to act on behalf of the following assignee: **Pulse Engineering, Inc. (formerly Excelsus Technologies, Inc.)**

The title of my position with said assignee is: **Vice President and General Manager, Telecom Division**

The entire title to the patent identified below is vested in said assignee.

Full name of inventor: Frederick J. Kiko, a citizen of the United States of America

Residence: 3561 Donna Drive, Carlsbad, California 92008

Mailing Address: 3561 Donna Drive, Carlsbad, California 92008

U.S. Patent No. 6,212,259 issued April 3, 2001

Entitled: **IMPEDANCE BLOCKING FILTER CIRCUIT**

I believe said inventors to be the original and first inventors of the subject matter which is described and claimed in said patent, for which a reissue patent is sought on the invention entitled: "IMPEDANCE BLOCKING FILTER CIRCUIT", the specification of which is attached hereto along with the preliminary amendment amending the claims.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above;

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56;

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply)

- ☐ by reason of a defective specification or drawing.
- ☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.
- ☐ by reason of other errors.

Attorney's Docket No. EXCEL.016REC1

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening. At least one error upon which reissue is based is described as follows: This is a broadening reissue continuation application. The original prosecuting attorney did not appreciate the full breadth of the invention with respect to the prior art, and therefore claimed too narrowly.

All errors corrected in this reissue continuation application arose without any deceptive intention on the part of the applicant.

I hereby revoke any previous powers of attorney in the subject application, and hereby appoint the registrants of GAZDZINSKI & ASSOCIATES, 11440 West Bernardo Court, Suite 375, San Diego, California 92127, Telephone (858) 675-1670, including Robert F. Gazdzinski, Registration Number 39,990, as its attorneys with full power of substitution and revocation to prosecute this application and to transact all business in the U.S. Patent and Trademark Office connected herewith.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful, false statements may jeopardize the validity of the application or any patent issued thereon, or any patent to which this declaration is directed.

REISSUE CONTINUATION APPLICATION
SUPPLEMENTAL DECLARATION BY THE INVENTOR

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are as stated below next to my name;

I believe I am an original, first and sole inventor of the subject matter which is described and claimed in U.S. Patent No. 6,212,259, granted April 3, 2001, and for which a reissue continuation patent is sought on the invention entitled **IMPEDANCE BLOCKING FILTER CIRCUIT**; a copy of the patent as originally issued on April 3, 2001, is attached hereto.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above;

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56;

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply)

- ☐ by reason of a defective specification or drawing.
- ☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.
- ☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening. At least one error upon which reissue is based is described as follows: This is a broadening reissue continuation application. The original prosecuting attorney did not appreciate the full breadth of the invention with respect to the prior art, and therefore claimed too narrowly.

All errors corrected in this reissue continuation application arose without any deceptive intention on the part of the applicant. As the named inventor, I hereby revoke any previous powers of attorney in the subject application, and hereby appoint the registrants of GAZDZINSKI & ASSOCIATES, 11440 West Bernardo Court, Suite 375, San Diego, California 92127, Telephone (858) 675-1670, including Robert F. Gazdzinski, Registration Number 39,990 and Erik M. Vieira, Registration Number 53,723 as its attorneys with full power of substitution and revocation to prosecute this application and to transact all business in the U.S. Patent and Trademark Office connected herewith.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful, false statements may jeopardize the validity of the application or any patent issued thereon or any patent to which this declaration is directed.
